EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Claims 3-18 were cancelled.

In claim 19,

line 1, after "culture of" was added "the";

In claim 20,

line 1, before "strain" was added --of *Thraustochytrium*--;

line 2, , before "strain" was added "*Thraustochytrium*".

Authorization for this examiner's amendment was given in a telephone interview with Mr. Sylvester on 4/25/07.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 19 and 20 are allowed because the *Thraustochytrium* strains disclosed in the prior art differ from those claimed herein. There would have been no motivation for one of ordinary skill in the art to modify the prior art strains to have the properties of the claimed strain or to isolate a *Thraustochytrium* strain having the required properties at the time the claimed invention was made.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Irene Marx whose telephone number is (571) 272-0919. The examiner can normally be reached on M-F (6:30-3:00).
